***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance: upon reconsideration in view of the amendments and applicant's remarks, the claims are allowable over the prior art of record for teaching a crate having a removable lid hinged to the crate body as set forth. More specifically with respect to claim 1, the prior art of record does not teach a pivot member sized to receive an at least one engaging member without requiring deflection of the at least one engaging member and the pivot member receives the lid edge over an outer circumference thereof. With respect to independent claims 18,22, and 27, the engaged members allow for unobstructed removal of the lid when in an open position approximately 180 from the closed position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. In order to reduce pendency and avoid potential delays, Group 3720 is encouraging FAXing of responses to Office Actions directly into the Group at (703) 872-9306. This practice may be used for filing papers not requiring a fee. It may also be used for filing papers which require a fee by applicants who authorize charges to a PTO deposit account. Please identify the examiner and art unit at the top of your cover sheet. Papers submitted via FAX into Group 3720 will be promptly forwarded to the examiner.

3. It is called to applicant's attention that if a communication is faxed before the reply time has expired, applicant may submit the reply with a "Certificate of Facsimile" which merely asserts that the reply is being faxed on a given date. So faxed, before the period for reply has expired, the reply may be considered timely. A suggested format for a certificate follows:
